National Conference

I had the wonderful opportunity of attending Family Promises' 14th National Conference this month in Long Beach, California, and what an experience! It is amazing to see how Family Promise is growing throughout Georgia and nationally. The conference was inspirational, educational, and offered the chance to collaborate and fellowship with colleagues from more than 40 states. I had the opportunity to experience great presenters such as Karen Olsen (Founder and President Emeritus of Family Promise), Congresswoman Maxine Waters (from California), and Dr. John Francis (author, environmentalist, and inspirational speaker). I attended great round tables and workshops and look forward to sharing the information to strengthen our program in Houston County. It wasn't all work and no play. I had lots of laughs with the FP Family.

Big Mike and Little Mike

Family Promise of Greater Houston County has been blessed with the opportunity to serve our first single father. Big Mike and Little Mike have been a pleasure to work with. Thank you to all the volunteers who have been involved and especially our male volunteers that have been active during the host weeks.

Connections

We welcome all volunteers and understand that not everyone interested in Family Promise is connected to a church in our network. Anyone interested in volunteering with Family Promise during a host week please contact Nicole Fogle for more information about serving; nrosser.familypromisega@gmail.com.

Please Note: This volunteer opportunity would entail working with a particular church during the host week which can include, but is not limited to, sleeping overnight, providing meals, or providing supplies. FPGHC is required to complete a criminal background history on anyone interested in serving.

Great News about Previous Guests

Congratulations to the Smith family and the Sapp family! During the month of March both of these families completed their responsibilities with FPGHC and moved into permanent housing. We are so proud of them!! Thank you to each volunteer and host church that was a part of helping them obtain this goal. Together we are "Ending Homelessness One Family at a Time"!!
